COMMENTS:
Code Environmental Services, Inc.
400 Middlesex Avenue
Carteret, New Jersey 07008

We have selected Code to install the fence,
 excavate test pits and perform site rehabilitation
 (dike improvements, clearing, grubbing, construct drainage ditch).
 Please let us know if they are accepted
 by U.S. EPA at your earliest convenience.

If you have any questions or are having difficulty in receiving
 these documents, please contact our office at (201) 794-6900
